Thank you for a very informative discussion today. EPA will be following up with notes after the meeting, but I wanted to go ahead and send the FDEP-Florida SHPO Operating Agreement for your review. A PDF is attached, and the link to its posting (as Appendix j-1 to Florida's assumption request submission) on the Federal Register website is:

The primary link for the Federal Register posting of Florida's CWA section 404 assumption request is below. Downloadable documents posted there are accessible via the mid-page tab labeled "Browse Documents."
